Model #	Product Description	MSRP
N2KView-Base	N2KView Vessel Monitoring Software with Hardware License Key	\$ 495.00
N2KView-Add	N2KView (Additional N2KView License added to Existing N2KView-Base)	\$ 495.00

N2KView-Control	Control Module (Each Control Module requires corresponding Base or Add License)	\$ 495.00
N2KView-Fuel	Fuel Module (Each Fuel Module requires corresponding Base or Add License)	\$ 495.00

Running N2KView from a single location requires N2KView-Base license, subsequent stations require N2KView-Add. Multiple optional modules of the same type require corresponding number of N2KView licenses. For example, if you want to see video from two different stations, then you need to purchase two N2KView licenses (1st being N2KView-Base and 2nd being N2KView-Add) and two N2KView-Video modules. Each N2KView license (either N2KView-Base or N2KView-Add) allows one of each different type of module. For example, with each N2KView license, you can run one Alerts, one Video, one Control, and one Fuel module.
