

# Maretron®

A Carling Technologies Brand

---

## Maretron Introduces New Product Catalog

We are pleased to introduce the new Maretron Product Catalog!

We've listened to your feedback and enhanced the content and design of our catalog to make it an even better resource for our customers.

A few highlights of the redesigned catalog include:

- New, Larger Format - 8.5 x 11"
- Increased Font Size
- Enhanced Table of Contents
- New System & Boat Diagrams
- Photos of Accessories
- New Products

[\*\*DOWNLOAD CATALOG\*\*](#)

We'd love to hear your comments about the new catalog. [CLICK HERE](#) with your comments and suggestions.

---

[CLICK HERE](#) to request hard copies of the new catalog or contact Karen Bryant in our Jupiter office. Catalogs come in boxes of 20. You can also order USB drives with a digital version.

## Maretron® N2KView® Anchoring Module Wins 2020 Miami Innovation Award

The Maretron N2KView Anchoring Module was the category winner in Consumer Electronics/Mobile Applications & Software.

*"For a cruiser who anchors regularly, this brings precision and certainty to the frequently imprecise and stressful task of anchoring."*

-Ben Stein, Editor of Panbo

## Maretron® N2KView® Anchoring Module Wins SAIL Pittman Innovation Award

We are pleased to announce that the Maretron N2KView Anchoring Module has been awarded SAIL Magazine's 2020 Freeman K. Pittman Innovation Award in the category of Cruising.

*"N2KView turns art into science!"*

-Award Judges

## Maretron Technical Training

Kip Wasilewski, Director of Sales for the Maretron brand, presented sales and technical training to a group of New England boat builders and technical dealers. In addition to a full product line review, the new MPower Series Digital Switching products were introduced.

Thank you to the team at **Front Street Shipyard** for hosting February's Maretron event!

***Stay tuned for additional Maretron training opportunities***

Two major brands have  
officially tied the knot.

More Products.  
More Control.  
More Support.

**Maretron**  
Vessel Monitoring & Control

**Carling Technologies**

Accelerating marine technology for future generations.
