You set the J2K100 configuration setting called "J1939 Source Address:" using Maretron's DSM150, DSM200, or DSM250 display in the following way. Enter menu mode, scroll to "Configuration?" and press enter. Scroll to "Device Configuration?" and press enter. Scroll to the row containing the J2K100 and press enter. Scroll to "J1939 Source Address:" and press enter. Scroll until you find the appropriate address and press enter.
